Overview

The school has used the DfE non-statutory guidance on school uniform and agrees with guidance given in the DfE booklet which states;

'The school uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone. The Department strongly encourages schools to have a uniform as it can instil pride; support positive behaviour and discipline; encourage identity with, and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion and promote good relations between different groups of pupils. The Department also encourages schools to have a very clear position about appearance such as hair colour, style and length and the wearing of jewellery and makeup.'

The school therefore expects high standards of personal appearance and that all students should wear school uniform to and from school, during the school day or when participating in school-organised events.

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform. We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting items with distinctive characteristics to low-cost or long-lasting items
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Expectations for School Uniform

Our school's uniform

Uniform should comply with our clear uniform code at all times. This is because we want pupils at St Joseph's Catholic Academy to be proud and to feel part of our community. The dress code applies both within school and on the journey to and from school. Fashion statements with regards to students' dress or appearance are unacceptable. If in doubt, parents and carers should contact the school before any decisions are made.

Pupils must be dressed properly in full school uniform;

- Grey blazer branded with St Joseph's Logo
- House colour ribbons should be worn on left chest pocket of the blazer (these will be provided by the school as part of the transition process)
- School Tie (blue and gold diagonal strip) fastened up to the neck properly and worn at a reasonable length
- A plain white shirt which buttons to the neck and is tucked in at all times
- Plain black formal school trousers
- A plain black drop-waisted skirt with box style pleats. Our expectation is that skirts are worn at knee length.
- Black opaque tights OR black /dark grey socks
- Plain black formal school shoes. We would also recommend that parents get their child shoes that will cover their whole foot for the extreme weather if they are walking to school in snow/ slush-type conditions.
- Outdoor coats should be dark in colour and fit for purpose
- School bag: Every pupil should have a bag to carry books, school planner and equipment to and from school every day and pupils should be properly equipped for every lesson
- Water bottle

Important notes

- Although the school supports the work of many charity organisations, charity bands will be classed as bracelets and therefore not allowed
