17th January 2025

Dear Parent/Guardian,

RE: Term 2 Mock Examinations

At St Joseph's Catholic Academy, we are committed to helping every child achieve their potential. Following the success of the Term 1 mock examinations earlier this academic year, we are now preparing for the second round of mocks for all Year 11 and 13 students. These will take place during the weeks of **10th February 2025** and **17th February 2025**.

These mock examinations provide an invaluable opportunity for students to continue building confidence in their exam techniques and to further refine their knowledge and understanding of key subject areas. The results will inform staff and students of their progress towards target grades and may also act as evidence for Teacher Assessed Grades, should they be required.

To help in their preparations, students will receive:

- **a personalised exam timetable;**
- **a revision plan;**
- **links to online resources** (via MS Teams) to support revision in each subject;
- **revision materials** provided by their class teachers and kept in their revision folders.

Please continue to encourage your child to persevere with their studies, make use of the resources provided, and approach these exams with the same dedication that contributed to their success in the first round of mocks. Experience shows that students who invest time wisely and take ownership of their learning at this stage often perform better in their final examinations.

Students must bring a **black pen, pencil, eraser, and ruler** to each exam. For exams requiring a calculator, they must ensure they have one. Mobile phones, watches, and any notes or papers are strictly prohibited in the exam room. Students are expected to adhere to examination rules and behave as they would in the summer exams, refraining from any form of communication with others in the exam room.

Thank you for your continued support in helping our students achieve their best.

Yours sincerely,

Mr MA Simpson
Assistant Headteacher (Curriculum & Data)
